PALL MALL BARBERS

Pall Mall Barbers have been recognized by the Department for International Trade for special recognition for our contributions to improving the UK's export market and international reputation, as well as recognizing excellence in trade and investment. As they work with thousands of businesses across the UK, Barber haircut is a huge honor to be recognized as such.

Men's Hairdresser Open Now

Men's hairdresser cut or style hair in order to change or maintain look

As is often the case, there was no rest for the wicked – once the crowds dispersed and press had asked their questions, the following days saw even more locals visiting our store to see what the hype is with Pall Mall Barbers. Saturdays in The Mailbox are always one of the busiest days, so it was a challenge but great to see so many extra people and have them get the Men's hairdresser experience.

We were awarded the RLI Rising Star Award at the 14th Annual RLI Awards, this year held in Hollywood! On April 3rd, the Retail Leisure International Awards were held at Universal Studios – celebrating innovation in retail and leisure experiences around the world. Members of the Barber shop team are in attendance as we were shortlisted for the RLI Rising Star 2019 Award. After taking home the award at the ceremony, we were invited to explore the Wizarding World of Harry Potter and celebrate the win!
