infinite possibilities

ENHANCING EFFICIENCY IN REAL TIME

From **Admin** to **Faculty, Students** and **Parents,**
our products offer unique benefits to every
stakeholder on the learning journey...in real time.

01. Real Time Sharing

02. All Teams Onboard

03. Shared Responsibilities

INFINITE OPPORTUNITIES

When it comes to your institution, **SKOODLE** opens a world of opportunities.

Our Products **ENTRAR , ENTRACK, ENTEACH** and **ENVISITOR** offer everything that your institution will ever need

ENTRAR

As an Institution Management Software, Entrar is the one-stop solution to **ensure the smooth functioning of any educational institution.**

ENTRACK

Unique **bus/vehicle tracking system,** enabling parents to easily track the location of the school-bus when the child commutes to/from school in Real Time

ENTEACH

A dynamic app for teachers with **message scheduling and reminder features.**

ENVISITOR

An app based **visitor management** system for your school.

ENTRAR

FOR HASSLE FREE ADMINISTRATION.

Entrar is a simple and easy to learn ERP platform.

Students, parents, faculty and management can streamline, access, process and profit from information and scale faster.

> " It synchronizes your institution data on a unified platform, making information accessible to all stakeholders in real time.

ACCESS ANYTIME, ANYWHERE. IN REAL TIME

Entrar works with students, parents, faculty and admins to integrate admissions, registration, progress report, student billing, financial aid, student services, bus tracking, biometrics and more on one platform.

"

As a mobile ERP solution that can be accessed in real time, Entrar automates the entire learning journey from end to end.

THE SIMPLEST ERP OUT THERE

Learning to use Entrar is just as easy as learning an Internet browser.

This means faster onboarding, efficient processes and greater benefits for all stakeholders.

"

Stay Data Secure. Entrar secures your data through full audit trails and role-based security, allowing you to manage access with a high level of granularity.

UNLOCK NEW POSSIBILITIES

"Entrar" in Spanish means "Access".

Our identity is inspired by a new leaf, which unfolds each time to unlock new possibilities for our users, by enhancing access to information, and efficiency in processes.

entrar
Efficiency Enhanced

01.

Zero maintenance
